INSTRUCTIONS FOR TEMPLE MEMBERSHIP

- 1: Go to: http://theunitedstatesofamerica1781.com/?page_id=71 and register an entity name. Make sure the entity is classified as a trust in the drop down box on the registration website. It is recommended that you describe your Trust as a revocable inter vivos trust in the "Other type of organization-please describe" box.
- 2: The entity name registration will be placed in Public Notices section of the newspaper once a day for three days. A Publishers Affidavit will be acquired by the Temple. The Temple will send an entity certificate to the Secretary of State for The United States of America to be signed thereby validating the entity name is in existence within The United States of America. The registrant is not expected to do anything in the process inscribed in paragraph 2.
- 3: Once all steps are complete, a revocable inter vivos trust agreement is formed under the entity name and the revocable inter vivos trust is eligible for membership within the Temple implemented by a Trustee.

Please Note: That the trust itself is not registered in The United States of America, the existence of the name of the Trust is being verified as existing within The United States of America. The terms and conditions of the trust are written within the trust agreement. However, it is highly recommended that the Governing Law section is under the laws of The United States of America otherwise your trust may not be recognized in other jurisdictions or other jurisdictions may assume that your revocable inter vivos trust is within another jurisdiction.

Accepted, acknowledged on the 8th day, of August, 2014,
