

# Affidavit of Truth for My Sister Candy

## Affidavit Testimony

of Truth and a Prayer for Justice

Jessene Roe Beecroft for Affiant's Sister Candance Beecroft (Candy), this is not what Affiant wanted to give affiant's sister for Candy's birthday . June 26th 1969 - August 12th 2016, Affiant wanted to give affiant's sister a cake and some clothes . Candy would have asked affiant for a Beer .

The spirit within affiant is the only thing that gives affiant the strength .....

1, First of all affiant's Sister Candy was not a resident of Navajo Dam , Candy had not been living there ,Candy did not just wander off from Candy's home ! Candy had been living with Samantha and Caleb Harman paying their rent in Bloomfield . Affiant has found out that Samantha was hitting Candy back then , affiant began to put more two and twos together . That is why when Affiant would visit ..Candy was usually in Candy's room not making a sound , affiant would ask "where is your Mom ?"and Sam always hushed affiant and with whispers, body

language ,sign language and looks of urgent disgust and irritability , but a pleading cry not to wake my Sister .

Sam always had a manipulating everyone anyone around usually Affiant plan.”some plan to give Samantha money for this or that ,affiant always gave what affiant could Caleb had lost his job . So Candy was all the money Samantha and Kaleb had . Affiant loves Caitlyn Mae ,(Im so sorry Cailyn that it has taken your aunt Jessene this long to have to do what affiant just totally does not want to believe or know but affiant does know it and I love you so much you are my angle that I always loved holding I felt love when holding Caitlyn Mae she is beautiful and my great niece . I have got to do this for my baby niece Caitlyn Mae . It hurts so bad not to see Caitlyn but I know I can when Caleb gets home . I just can not can not even look at that thing Samantha Powers Crane that affiant loved so much and Samantha’s Mom, My Sister Candy loved so much. I just cant I don't know the words to describe that feeling but damn it HURTS to know “ to know that Candy my little sister’s last memory was more than likely Samantha hurting my Sister . And affiant had been waiting for Candy to come to Moms , Mom was excited waiting for Candy to come out ,my Mom loved my Sister Candy . My Mom did not know Brandy like my Mom knew Candy all Brandy was was a give me give me give me you owe me you owe me , im being delayed greedy jealous ,evil bitch . Candy and My Mom had a friendship soooo close my Mom could feel Candy when Candy was miles away .Affiants Sister Candy had a heart and anyone that even seen Candy could feel the warmth and genuine love for everyone . My sister listened to preaching all the time on the radio TV and church even while Candy would be drinking Candy would

be worshipping and preaching if you'd let Candy . and who cares if Candy was trying to listen to us . My sister probably already knew Samantha was in there bad mouthing Candy , my Sister probably just wanted to see her big sister affiant . Candy looked up to affiant . We did not have a perfect relationship but everyone that knew us knew affiant loved affiant's sister and Candy knew it , and affiant knows Candy loved Candy's big sister . Affiant's sister loved every one Candy made homemade bread like Grandma Roein all the time and my little sister loved affiant so much that Candy used to pretend that Candy was affiant ,in school Candy stole affiant's journal from affiant's years before in same class same assignment , Candy copied every word but pretended it was Candy's.

August 11th 2016 , I looked at my phone it said "I need help so fucking bad ,Christys in jail and now I have my Mom !"

Comes now, Jessene Roe Beecroft with ruptured heart ,

Affidavit of The Truth and Nothing but so help me Yahweh, with a prayer for ... Justice for My Sister Candy .

Samantha Powers Crane , needed help . It wasn't dark yet Affiant drove to Ronnie Gammons house in Aztec, New Mexico ,Samantha had Candy's fifth wheel parked in Ronnies front yard . Samantha had asked affiant to help get the baby to sleep ,with joy always Affiant did . After a couple minutes Candy arrived, Candy had been at Ronnie's. Affiant heard Candy , mumbling around looking for something ,Samantha sounded irritated with Candy which was not unusual ,but Affiant thought it was disrespectful and mean considering the fact that Candy had just got out of the hospital and no none expected that My Sister was so strong .

About 15 or 20 years ago my sister Candance Beecroft told affiant that Candy had Hepatitis C that broke Affiant's heart . What broke it even more was Candy said that the doctors told Candy if Candy quit drinking Candy might live 10 years ,if Candy did not ,then Candy might just might at most live maybe 3 years . Candy would not quit ( that was before the cure ). Affiant begged Candy to quit . Affiant would say "don't you want to see your grandkids be born ? What about Samantha ?don't you want to see the grandchildren you will have from Samantha ? Candy never did answer those questions never, Candy would just look at affiant with tears in her eyes and a look that said Im gone, hopeless , lost “I have more excuse to drink even more now . It was like Candy could not hear affiants cries for the whole rest of the family that Candy's death would be tearing apart . I love you Candy my little sister I love you sooo

2.

The afternoon of August 12 2016 : Samantha stopped halfway running stomping in Affiant's home carrying Caitlyn Mae Hardman (my beautiful great niece The Baby ),Affiant took Caitlyn in affiant's arms as Samantha was pissed Samantha was red Samantha was so mad . Samantha was shaking spitting and smoking and Samantha said " My fuckin Mom huff huff puff ,I just fucking broke EVERY fuckin THING in the fifth wheel , Ronnie's gonna fuckin kick me out , my fuckin Mom ,Im having a nervous breakdown ,Ronnie heard me yelling , he came over he's gonna kick me fuckin out cause fuckin Mom!!!!" huffing puffing breathing hard "Im not letting nothing and I mean nothing come between me and my school I mean NOTHING!!!!,I cleaned all fucking night long and fuckin Mom came in making a Fuckin mess dumpng her fuckin purse everywhere !!! Samantha had a laptop Samantha's Aunt Brandy gave Samantha . That was Samantha's cosmetology school online. Samantha had told affiant of the multiple things Samantha's aunt Brandy gave to Samantha . But most of the time ,they were Samantha's Aunt Jessene's things that Brandy stole and then gave to her kids and whoever she wanted to buy love from . Samantha continued throwing Samanthas hissy fit as Affiant held Caitlyn Mae . Affiant asked Samántha what did Samantha's mom do sooo bad ? That was Candy's fifth wheel anyway , yes Candy gave it to Samantha , but of course Candy thought Candy would be able to live in it until Candy died . Affiant asked what Samantha cleaned all night because

even when affiant first arrived the fifth wheel was not that dirty it had a few clothes laying around .

3.

4. Samantha kept going in and out of the trailer getting things for the baby She said Candy was at Kirks at first but then said Samantha dropped Candy at Moms ,but that Candy walked to Kirks ,cause Samantha said “Mom wants to get laid before she dies”. . Then Samantha said Candy walked down while ( Samantha was taking the walker out of trunk for the baby,)Samantha said “Candy walked past Samantha toward the road ‘Samantha said ‘Samantha asked Candy where Candy was going but that Candy mumbled so couldn't really hear Candy , but Candy wanted to go see Kirk and get laid before Candy died ,so Samantha wasn't gonna argue with Candy .” ,so Affiant thought Candy had to have made it to Kirks already ,thinking Kirk met Candy at the road . Affiant was busy with the baby and listening to Samantha bitch and wine . It wasn't questioned that Candy was at Kirks , but Mom and affiant were hurt and couldn't believe Candy still even wanted to have anything to do with Kirk since he beat her often even breaking Candy's neck and on life support before . Affiant was busy with the baby cooing aaahhing and playing with Affiant's puppy

and Caitlyn Mae , Samantha came in the third time she had become very very nervous ,scared , very shaky nervous and asking for more toilet paper to go back to Moms out house .Samantha went back out then back in all nervous saying Samantha needed more toilet paper. Affiant gave Samantha more , affiant asked if Samantha was alright. (affiants bathroom did have a toilet but it was small it had a sewer but no water so usually Samantha did use the outhouse Samantha fit in it better . Samantha was extremely nervous like scared ....Affiant very concerned Affiant said “Samantha you don't need any more drugs, you get your ass in the truck were going to my land .” Affiant just bought it , Samantha had been wanting to go rock hunting and at least see it but never had the chance all winter, it was too muddy, but this was August and we still had not went . So Affiant thought Samantha needed a break and just go for a little while so Samantha would calm down . As we were leaving we seen a beer can on the side of the road right in front of Affiant’s trailer , Affiant thought it was one of affiant’s brother Zen’s , but did not really think anything of it . Affiant thought it was strange Samantha avoided Affiant , while Samantha was texting and talking on the phone instead of walking with affiant looking for pretty rocks there were alot ,instead Samantha did not even look at any rocks, or the view ,nothing, just acted nervous and busy almost sneaking on the phone . Samantha said Samantha was hot and the baby thirsty lets go . We went back , the beer was still there with a red bowl . Affiant parked and went to Affiant’s Moms . Samantha did not come in Samantha stayed down at affiant’s place . Affiant asked

affiants Mom where Candy was ? did Candy come back from Kirks ? Mom said “Mom did not think Candy went to Kirks because Candy begged My Mom for a beer for 30 minutes and was planning on cooking shrimp for Mom so Mom said Mom thought Candy was down there with Affiant and Samantha or Kirk’s or Greg’s ( Candy loved Greg .Candy often stayed with Greg ) on Brandys land next to Moms and Karen's Land . So affiant and affiants Mom thought Candy would be right back if not, then , Candy went to Kirks . Samantha was all in a hurry now . Samantha grabbed up the baby said Samantha had to go . Affiant said , “you just told me you did not need to go anywhere” . Samantha said ,Samantha had forgotten but that Samantha had to go visit Caleb . Samantha left . Affiant’s Mom said “Samantha pulled up to Moms and threw all of Candy’s belongings out halfway on Moms porch and halfway on the ground . Affiant did not see Samantha do it, but affiant’s Momma did. Mom told affiant that she hid watching Samantha from the window . Affiant’s Mom said she felt anger coming from Samantha. Once a loving granddaughter (Samantha used to go visit my Mom all the time they would always smoke weed together .Samantha never left there without seeing Samantha’s Grandma. Samantha never left without saying goodbye to Samantha’s Grandma never ! . .so “shit ya I watched from the window” is what Affiants Mom told affiant . .” My Mom was shocked and hurt confused Samantha”, threw Candy’s purse Candy’s clothes her diapers even the Shrimp and Crab Legs Candy brought to eat with my Mom . Affiant found them on the ground later that afternoon affiant took the shrimp in said “damn look

what I found on the ground by Candy's things . Affiant took Candy's purse to Mom but left most of the things where they were since they were not affiant's . Affiant did pick up the things on the ground ,put them on the porch . Then affiant seen crab legs took them in too Mom was sad said yep "Candy told Mom she wanted to have dinner with Candy's Mom for it might be the last one they would have together . Affiant asked affiant's Mom how Candy's things got all over the porch and ground . Affiant's Mom said "Samantha came flying up the drive ,huffing puffing all mad disgusted looks on face throwing Candy's things out .

Affiant's Mom ended up eating it without Candy ,thinking Candy chose Kirk over Mom so Mom was a little upset . affiant's Mom told affiant "Mom ate all of the shrimp and crab legs . Affiant went to Affiant's friend Chris's where Affiant often hung out and helped on the ranch . Samantha called the next day asking if Candy had come back from Kirks . Affiant said no .Affiant had talked to Affiant's Mom and Candy had not been seen .Samantha told Affiant Samantha was having a welfare check done at Kirks . Affiant had never heard of that before , so Samantha explained . Then Samantha called back said they Checked and Samantha's Mom was not at Kirks . Samantha asked if Samantha should do a missing person report and Affiant said "YES emergency" because if affiant's Sister went one night with out Candy's medication affiant and Samantha did not think Candy would make it one night .

Candy was pretty bad Mom and Affiant got worried, Candy was in no shape to even walk through the cross county way to Kirks . Mom said "Mom thought maybe Candy had called

Kirk to come get Candy and maybe Kirk picked Candy up walkin on the road". Affiant began asking Samantha specifics about that day because affiant never seen Affiant's sister that day . One day into search Candy's pants were found Candy had soiled them , Samantha text affiant said Samantha knew they were Samantha's Moms pants . Samantha acted as if she had to prove they were her Moms pants ,Samantha said "we went to Safeway on the way out here , all they have to do is look at the stores video camera and see what Candy was wearing ." Samantha sent affiant a picture of some grease rags found out in the oil field ,Samantha asked affiant if affiant recognized the clothes as being what Candy was wearing that day . Affiant said , "I don't know I never got to see your Mom , dont you remember? All I seen was you Caitlyn Mae and Mom , but they look like some oil field rags I had seen while out by a location looking for Candy ". And affiant's Mom said "Candy begged me for that beer for 30 minutes" Affiant knows KNOWS Affiant's Sister would never leave that beer with maybe one drink out of it. That beer was opened .Affiant can't say if Candy got one drink out of it . But later thinking about it Samantha looked really nervous and looked away from the beer when Affiant said look that beer is still there . Samantha acted like Samantha did not hear Affiant . When affiant took the beer the red bowl of m&ms with a piece of bread in it ,to affiant's Mom's (thinking Zen left it there Mom said "Zens not even here ,him and Melissa went camping at the pine last night". and Zen did quit drinking for 11 days . Mom said Mom gave Candy the bowl of M&Ms the beer and the

piece of bread . Mom said “Candy begged Mom for 30 minutes for that beer.’ Samantha said Samantha just knew Kirk was guilty of hurting Candy because they always fought when drinking together. But affiant knew they always got along about a week before they fought again and this time Candy could not hide the fact Candy was barely alive . affiant did not think that Kirk could really do that , only because they had not seen each other in about a month . So it would take about 3 days to a week before affiant would expect a fight .” Affiant did not think Candy could even walk that far at all, the shape Candy was in ,but Samantha insisted “ look what my Mom lived through already , life support ,broken neck ,kidney failure, ”” “total is what doctors said .” Affiant and Samantha were in the Motel that day ,then at the hospital the doctors talked with affiant and Samantha ,affiant and Samantha crying like babies held each other bawling . Candy did not even look like she was alive right then . Samantha called affiant said ‘the officers questioned Kirk and Samantha told affiant and affiant’s Mom a story about a shovel found with water bottles nearby that Kirk ended up saying”” “ yes they were Kirk’s , Kirk forgot them while working in the field “. Samantha said Samantha made 3 officers go with Samantha that Samantha had to question Kirk Herself “ , Then when Samantha came back Samantha said “Kirk is innocent “. that was it ! Kirk was innocent because Kirk said”, “öh no Samantha I haven't seen your Mom “ Samantha could tell Kirk was telling the truth cause Kirk seemed concerned and said Kirk had not seen Candy .” Affiant said “ya Kirk was already questioned so Kirk could prepare a lie . and not be

shocked .” But Samantha demanded that it was fact, ”Kirk was innocent “. Samantha just knew it since Samantha was the one that questioned Kirk .” Samantha started acting very heartless and like Samantha was just all that ,prancing around relaying to affiant and affiants Mom what the officers found and how search was going and all ,since Samantha started dating the San Juan County sheriff Officer Barlow . Samantha came in one night after having affiant babysit while Samantha went with Barlow on a date to search for Candy . Samantha came in said all smiles that “officer Barlow described what a body looked like after a couple weeks to Samantha and then Barlow asked Samantha if Samantha was ready to see Samantha’s Mom like that ? Sam said that Samantha replied oh Yes I'm ready I can handle it . “ When they gave up for the night Sam said “officer Barlow , said “I sure was hoping we'd would find your Mom tonight “ Samantha said “oh ya me too”. without any feeling at all like Samantha was fine to see Samantha’s mom like that . Affiant was shocked to say the least . And so was affiants Mom . They spoke of their ( Affiant Mom and Zens )suspicious . Samantha was freaked out when Affiant told Samantha that Zen had not been there and Zen was not drinking . My Mom said Candy begged Mom for that beer for 30 minutes . Affiant knows affiant’s sister and affiant knows affiant’s sister would have no way left that beer with not even a drink or if so then one small sip, right there on the ground , unless Candy was knocked out or killed or Abducted by someone stronger than Candy . Affiant knew Candy better than any of them except maybe Mom . Samantha said “ aunt Jessene , is it

true ?what you and Grandma said , Zen hasn't drank in 11 days? Is it true i thought it could be Zen “. but Zen was camping ? Samantha acted nervous and even said under Samantha’s breath , something like “oh shit can't use that one then”. Then said out loud “I thought that was a possibility since Zen always has gun after affiant .”And crazy and fighting with Melissa all the time .’ Affiant said “ Zen loves Candy they get along better and visit together longer than anyone else you know that ! Affiant could not believe what affiant was hearing out of Samantha’s mouth . .” Affiant did not drink anymore either and didn't last long around drunk people ’ “ But Affiants Mom reminded them of the time before no one knew where Candy was everyone looking for Candy ,with Mom “saying no I haven’t seen her out here .’When an ex boyfriend of Candy’s, Dave (they called him pegleg Dave ) came up to look for Candy , we found that Zen never even looked in Candy’s trailer . Mom thought Zen had checked in the trailer so everyone of us calling thought Zen checked it . Dave found my Sister half dead > she lived that time because Dave loved my Sister, Dave saved Candy’s life . Candy was flown out in helicopter to the hospital bleeding internally . But my little asshole brother that has tried to kill affiant a couple times has attacked Affiant ,has pulled Mom’s shotgun on affiant for absolutely nothing except for living there and being a witness to what Zen was really doing out there .” He claimed Zen helped Mom , Xen did chop some wood and bum shooters of whisky starting at 6 am every morning then bugging Mom all day for more beer , Mom getting alot older and scared of Zen , having to listen to Zens mouth bragging on himself and

demanding more beer ,and cigs and whiskey and money for gas and .....you name it . every day . Affiant still would say Zen would not hurt Zens sister Candy .” ! At this time Samantha said “well there looking at family now . “ because Samantha told them that Kirk was innocent .” Samantha said . Well affiant says .... ‘ excuse me , but ..... Fact is .... If anyone in Candy.s family did want Candy dead , da then they knew they did not have to wait long now didn't they . ?? We all ( Mom ,Affiant ,affiant's few friends ,Samantha ,Casper and Zen ) were very surprised that affiant's sister was even out of the hospital from time in Farmington Hospital . Hep c is a horrible way to go , it is horrible to have to see anyone you love Die a slow painful agonizing death . Only an evil heart less evil person could lay a hurtful hand on affiant's sister at that time !!!!!!!

About two weeks later Affiant had another free room and Samantha wanted to take the baby so Caitlyn could have a bath and cool air. Samantha said “Samantha doesn't care about having money to gamble ,just wanted to be cool and have a bath .Samantha thanked Affiant for taking Samantha everytime affiant got a free room samantha said she felt privileged to be the ones affiant choose to take along , which was only about 4 over a 3 month period . This time affiant did not leave money in affiants purse in the room for Samantha to steal . We took Samantha's car more room than affiants truck ,affiant would put gas . Affiant was thinking of Candy and said” “ I wish I would have taken Candy to the jacuzzi last time .” Samantha asked why affiant did not , affiant said ‘cause you had to have a babysitter .’ Samantha said “don't you feel sorry for me ?”Affiant said “no

you have Caitlyn Mae 'affiant half hugged Samantha and said "well maybe a little considering your situation and I've been a little mean to you lately." Samantha smiled a Yes I manipulated affiant again evil ha ha affiant feels sorry for Samantha again . Samantha got Samanthas way again'. Affiant said "" but your mom says you deserve it you need an ass whoopin ." Samantha äll innocent acting wwwhhat ? "me and my aunt Brandy don't feel my Mom anymore'. "Affiant said "WELL ĩ DO !"

Samantha's eyes where huge scared look . Affiant told Samantha that a few nights back affiant was singing in tongue and God or Grandma told affiant the song was for Candy ."affiant recorded it , sang it on the Karaoke machine it sounded real good ,I can sing in that language but not in english ." " Samantha you need to go with affiant to Carla's because Carla is a minister that told affiant that affiant received the gift of the Holy Spirit and that Carla could interpret it ,maybe God is telling affiant where Samantha's Mom was and what happened to Candy, and maybe Carla could tell affiant what affiant was singing . Maybe God was telling affiant what happened to Candy .

"Samantha looked scared to death ". Affiant was hungry and they had a plan to go eat breakfast in the morning with free tickets affiant had . Affiant was watching Caitlyn while Sam got ready . Samantha came out brushing her hair acting all like Samantha was hot shit said "will you change Caitlyn "Affiant said "no I changed her the last few times and affiant was getting a shower this trip ." affiant seen the total change in Samantha right in front of affiant's face ."Affiant thought .....that's what was going on Samantha did not get enough

oh poor Sam for Sam's Mom being sick .....Candy couldn't babysit anymore Christy had the money card and Samantha needed more attention ,money ,people to feel sorrier for Samantha and Samantha had the fifth wheel all to herself till now . Affiant could see how Samantha treated Candy and how Samantha was testing and trying to see how much Samantha could get out of Samantha's Aunt Jessene. Samantha was never satisfied . At the checkout desk affiant had the stroller with baby , and bags on affiant's shoulder with affiant's nice clothes and a bag with an antique beautiful designer pin on a bag affiant got from Corrie when Corrien was still alive . Samantha walked up to affiant said "want me to take your bags and come back and then go eat ?" Samantha took the bags it was at least 30 minutes gone by ,affiant called Sam "where you at "? Sam said "I'm right here where are you ?" I can see you ,dont you see me ?" Samantha was not there .Samantha was in the casino.", but affiant did not know that yet it was another 30 minutes , affiant called Samantha again and said "well I guess I will call Me and Caitlyn a taxi ""Samantha came in the door snuffing out a smoke so it looked like Samantha was outside all this time looking for affiant and the baby ." I was outside I seen you -didnt you see me?"Samantha said . Affiant knew Samantha was lying and trying to manipulate affiant to do everything Samantha wanted affiant to do . Samantha made comments like "your gonna be the next little old lady living with us ." ..... Samantha grew angry acted like a spoiled rotten little brat when affiant did not jump for Samantha . Samantha started to walk back out the doors . Affiant said ' I'm going to eat ' aren't you

forgetting something ?”Samantha looked with question on her face , affiant pointed to Caitlyn in the stroller right next to affiant . . Samantha kind of looked as though Samantha just came out of a spell or something like Samantha just snapped like oh ya I have a baby .”

Samantha was pissed , that night when affiant took all affiant’s money but left the purse ,when affiant came back to the room Samantha was in the mirror adoring herself but was also pouting “”you dont trust me anymore and it sucks !” Affiant thought yep Samantha looked in affiant’s purse and found no money . Samantha took the baby , affiant headed toward a restaurant breakfast was over but affiant was hungry from night before . Affiant looked back Samantha was not behind affiant Samantha was nowhere in site . Affiant called Samantha ,where are you ?” Samantha said ‘I looked for you and you were not where you were supposed to be !.” Affiant said “ if you can't come eat or wait for me then just through my things on the ground and do what you gotta do .’ Affiant was not going to take what Affiant’s sister had been taking from Samantha .”

Affiant thought , that was why Samantha wanted to take the bags to the car ,Samantha just had to search them too and Samantha said smart ass haha “remember it was your suggestion” and left with Caitlyn ,all of affiant’s clothes shampoo ,conditioner ,make up ,bags ,.... Brush flashlight etc . Affiant got a ride home with Don Points a friend that lived nearby in New Mexico. Affiant would not have gotten in that car with Samantha the way Samantha was acting if affiant's life depended on it ,affiant seen the real Samantha in Samantha then . Samantha was trying to manipulate

affiant just like Samantha did to Candy , but affiant was stronger and did not drink so Samantha could not lie to affiant like Samantha did Candy because affiant remembered better than Candy . There was a time affiant seen Samantha steal money from Candy and when Candy noticed and wanted it back ,Samantha told Samantha's mom to “shut up I know what I'm doing .” Samantha wanted all of affiant’s things that affiant got from Corrien ( Affiant’s Dad’s girlfriend )that affiant was close with and took care of Corrien after a stroke Corrien had” . The pin was one of the only things Affiant had left that Brandy did not steal yet of affiant’s inheritance . . Samantha knew it was worth money and was very sentimental to affiant . Affiant already couldn't really afford to go to the casino but Samantha insisted Samantha said she needed a break and shower cool air for the baby. Sam would use Caitlyn Mae to get what Samantha wanted from everyone Samantha came across . Samantha tried to manipulate Howard (Caitlyn's Grandpa Howard from daddys side too . ) for money using Caitlyn for an excuse to get people to feel sorry for Samantha . Affiant knew Howard Cindy and the 3 children since 1984 and this was 2016 so affiant knew Caleb his whole life and used to babysit Caleb when they lived next door . Howard Hardman and Jon Price later told affiant that Samantha asked them how long can someone use a social security card of someones that was missing but the body couldn't be found ?” The things Samantha was telling affiant on the phone first day Candy was missing did not match what Samantha was telling affiant now and affiant began to think Samantha hurt Samantha's Mom right there outside Affiants

trailer while affiant was in the trailer with the baby cooing and aaahing . affiant thought no way Samantha loved her Mom . .... But Samantha had told affiant on the phone that Samantha caught Candy trying to listen to Samantha and Affiant . ‘Affiant began to question Samantha , affiant asked “what did Samantha do and what did Candy do when Samantha caught Candy trying to listen to us ? “ Samantha told affiant that Samantha never said that Samantha caught Candy trying to listen to them .” affiant wrote some things down in affiant’s diary that affiant felt important , affiant hid the diary where it could not just be seen by anyone that might come by , like Samantha . Affiant did not want to think what affiant was being made to think , by the lies told by Samantha . and how come Samantha did not tell affiant because affiant wanted to see Candy and Candy probably just wanted to join them and see her big sister affiant .’ that was not the reaction Samantha wanted affiant could tell . Affiant was starting to think affiant was not going to see affiant’s sister again and affiant was still at affiant’s friend Chris’s . Affiant became more suspicious of Samantha because affiant was catching Samantha in lies that were stupid ,why would Samantha be on the phone to police when they were outside of affiant’s fence , and “heard the dog barking telling the police “ the people that live there are not home and I would be careful if you go in there walking around there ,because that dog probably will bite you”. ?????? ( The people that live there ? ) affiant asked ,why did Samantha tell them that for ?” Samantha said “ well what did you want me to tell them ?”affiant said “da how about the truth ?” Samantha said ‘as if it was a

threat to affiant “well I guess I could have told them the truth .” affiant said well da ... yes the truth da . “Affiant thought it sounded as if affiant and Samantha were in on something together that they wanted to keep secret and Samantha was mad at affiant because affiant was questioning Samantha as Why would Samantha tell that lie if Samantha were trying to protect the plants ? The truth was a lot better story and believable plus Affiant still thought Samantha was innocent of any wrongdoing . But affiant told friend Chris Gonzalez every word Samantha was saying when affiant would get off the phone and affiant told Chris what Samantha said sounded like . and Samantha sounded like Samantha was threatening affiant with telling the truth .” Later Chris did tell affiant that he thought Samantha was guilty of doing something wrong to affiant’s Sister from what affiant told him after each call . and Chris heard some of Samantha's words from the phone . da police look where the ones reporting are not ,.. because they probably figure the one missing wouldn't be missing if they were where the ones reporting were . Affiant had some really pretty pot plants growing inside affiant’s fence so of course affiant did not want police in affiant's yard but there was no need to look there if they knew that that was were Samantha ,The baby and affiant were while they were there, and that is where Candys big sister lived plus they already knew that that is where Candy’s big sister lived . and affiant thought Samantha told the truth to the police . So when Samantha told affiant ‘ I could tell they were at your gate because I could hear( the dog ) barking .. “ Samantha never called Luna “the dog”” . and why would

Samantha say “the people that live there “ ? if Samantha told the truth to them ? dam sure wouldn't add up right , with Samantha acting like Samantha knew the people but pretending it was not her Aunt Jessene’s place / If Samantha told the truth ,/ that Samantha was at her Aunt Jessene’s place.

When Affiant asked affiant’s Mom if Candy had come back . Affiant went back to affiant’s place told Samantha that Samantha’s Grandma said “Candy did not come back” . Samantha was standing in affiant’s place getting the babies belongings when affiant told Samantha this . and Samantha supposedly reported the events leading up to Candys disappearance . ? Affiant and affiant’s mom and brother were scared for Candy and they began to think Candy was dead because Candy’s medication was in Candy’s purse that Samantha threw on Samantha's Grandmas porch and ground all in a mad rush , is what affiant’s Mom said . Samantha was not in a rush to go anywhere until Samantha was at affiant’s land and usually Samantha always knew when visiting days were at the jail . Samantha always got gas money from affiant to go see Caleb . and Samantha was in no hurry until Samantha was at affiant’s land . Samantha flew up to Moms throwing everything all mad enough to scare affiants mom . There was no reason to lie affiant thought . Samantha told affiant when Candy walked past her. . . . .that Samantha was not going to argue with her about Candy going to Kirks . But later Samantha said that Samantha never said that . Samantha also lied when affiant and Samantha walking down from affiant’s Mom ‘s place about 3 days into searching , Affiant

said 'well you said you caught Candy trying to listen to us ,maybe she is near my trailer come on let's go look ."Samantha refused , saying Samantha knew that Candy was not there and samantha said that Samantha never said that . " Affiant knew that affiant wrote at least about 4 words that would clear some things up one way or another . Affiant hung out at Chris's longer ,Chris was Jessene's best friend and affiant needed his support right then . Candy was in and out of the hospitals for awhile a few months this time . affiant was renting motel rooms for Samantha so Sam could be closer to the Hospital and Affiant would stay with Sam when affiant could and go to the hospital to see Candy . Samantha left to Albuquerque to stay with Affiants oldest niece Casper ,During this time Samantha called Affiant's moms told us all not to go get Candy out of the hospital because they were trying to get Candy into a nursing home where Candy could get the care Candy needed, at this time Samantha had Candy's social security card . Affiant text Samantha back saying "I That is my sister and I would rather die in Mom's outhouse than in a hospital . Affiant could not promise not to go get affiant's sister . Mom called Affiant she said "Jessene the doctor called me this time ,and they said Candy is up dressed walking around and wants to go home" .Mom and affiant decided we were going to take care of Candy. Affiant called Candy .Candy told affiant " Brandy wants me to go stay with Christy what would I want to do that for ?" Affiant said " Mom and I will take care of you .do you want to come stay with Mom and I ?" Candy said" yes" so happy to know that Mom and Affiant loved

Candy and wanted Candy with them

.. . Affiant said "I will be there in a little while to get you .
